Ordering Instructions

- Use Numbers, not o's or x's or 's to order your customer's quantities
- If you need more than one order sheet just ask, but be sure to combine your totals onto the second sheet.
- Please be as neat as possible in filling out the order sheets so mistakes can be avoided.
- When your order sheet is complete, check your figures and turn your sheet into the designated person. You will receive it back with the candy order so that you may fill your individual orders.
- When you receive your order, please check it against the total item count column before you begin filling your orders. The orders are triple checked as we fill them but if there is a problem with the quantity of any item or any broken pieces, please contact Wilson Candy at 724-523-3151. DO NOT contact your school.
- Thank you for choosing Wilson Candy as your Fund Raising Project. You can feel confident in selling Wilson Candy because of the wide selection and fine quality of our products.
